BUNGALOW
— BY HARISHANKAR —
ELEVATED TASTE. ELEGANT EXPERIENCE.

Welcome to The Bungalow

W h e r e L u x u r y M e e t s t h e H e a r t

Step into a story—where the timeless charm of European architecture meets the soulful warmth of Indian hospitality. The Bungalow was born from a dream: to open the gates of luxury to every family, every friend group, every guest who has ever wished for a grand experience—without the grand price.

Here, we don't just serve food—we craft moments. Every section of this menu is a chapter in a journey through flavors that are both familiar and extraordinary. It's a table set for the everyday dreamer.

A menu created for those who believe in joy over judgment,
and elegance over expense.

**Let the story begin—with a sip, a smile, and a
memory waiting to be made.**
